Hi Barb -

Well we've had some good times this year, and some good talks. I sure they did me some good. I think a lot of you Barb, I guess that goes without saying. It's been kinda hard this year, but next ought to be great. Good luck to you Barb and please feel free to talk to me if you need some "unsound" advice. Seriously, if there ever anything I can do for you, please feel free to say so.

Your old pain,
Carolyn Lake

Dear Barbara,

I sure have enjoyed knowing you. I remember when I first spied you in Miss Hartzell's class in 5th grade. I thought what a striking smile you had & still do. Please keep it. Remember all the run-arounds we had in Miss Davis' 8th grade sewing class. It was real fun though. Cutting this year in Biology. How we wish that test a lilly. Be a cute gal with one of the best figures in our class good luck. Please keep your humor, figure & snappy smile & you'll really go places.

Lots of Love & Luck

Jerry

P.S. I meant the above as stated.

Dear Barb.
Here's wishing one of the best girls I know all the luck in the world. Barb please be good and I hope everything works out for you.

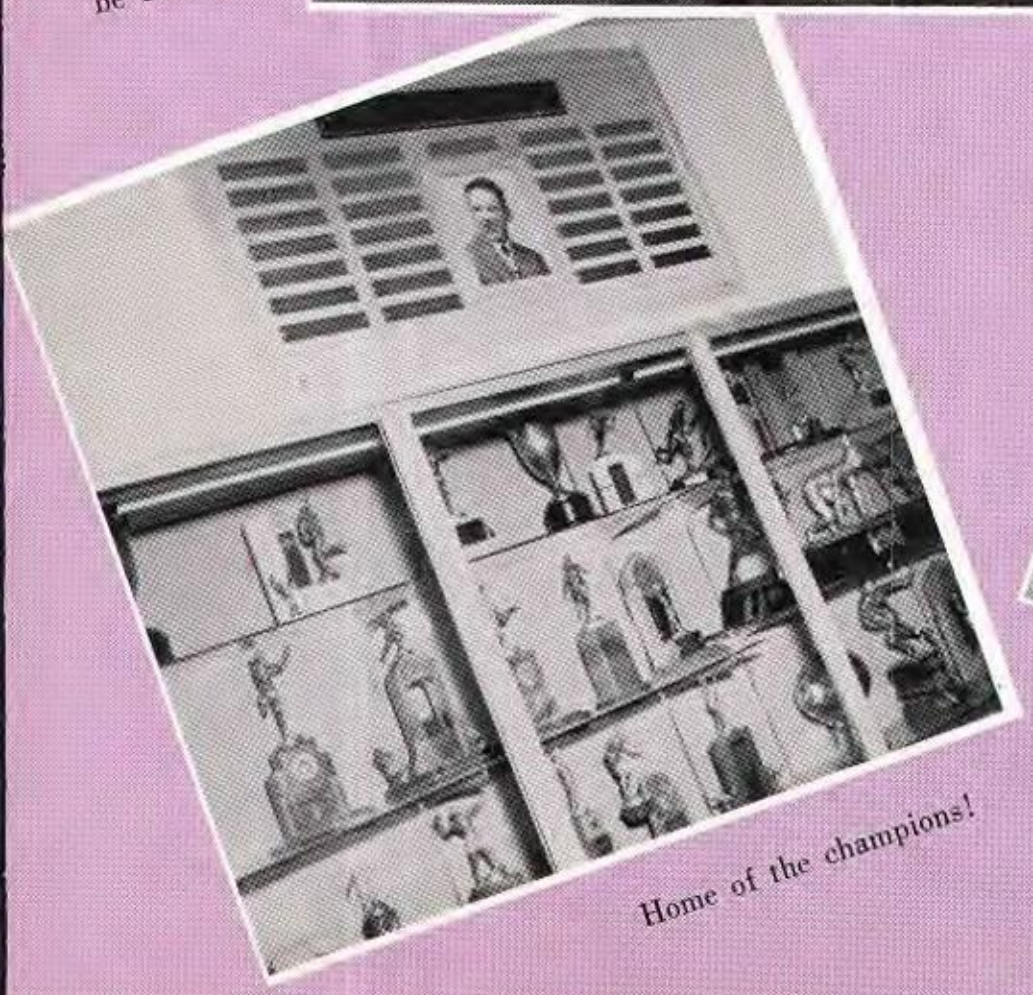
Could this be a shop?



Home of the champions!

Wow! A stuffed bird!

"Friday at 7:30?"

"Where is the ball?"

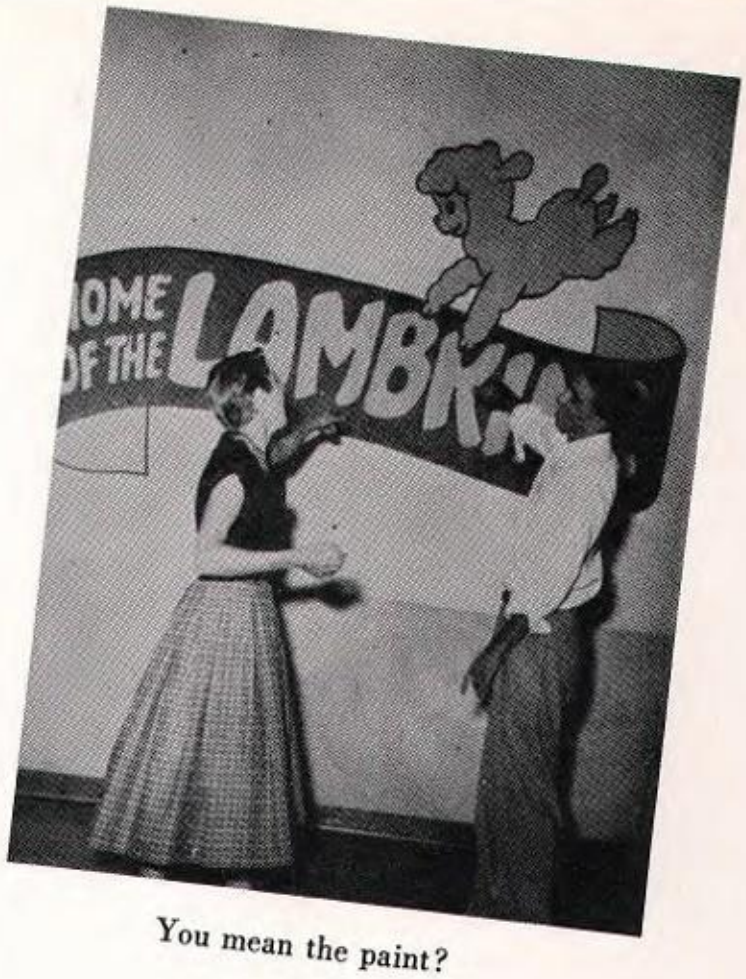
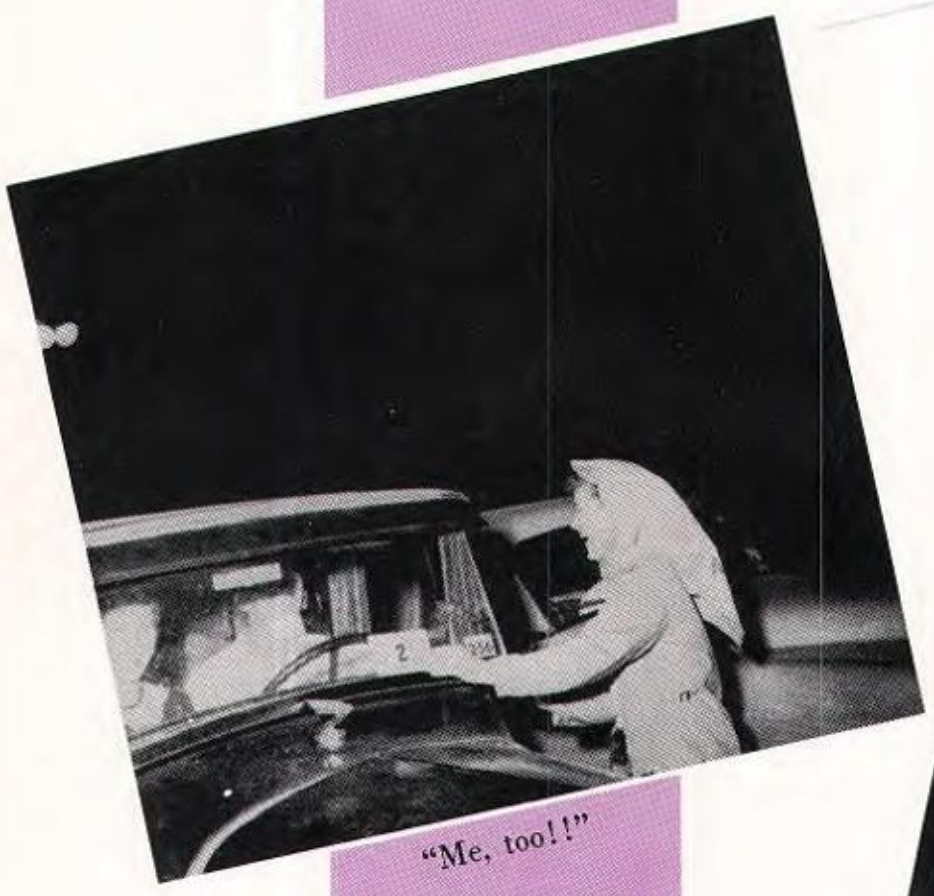
"How did you say to hold her?"

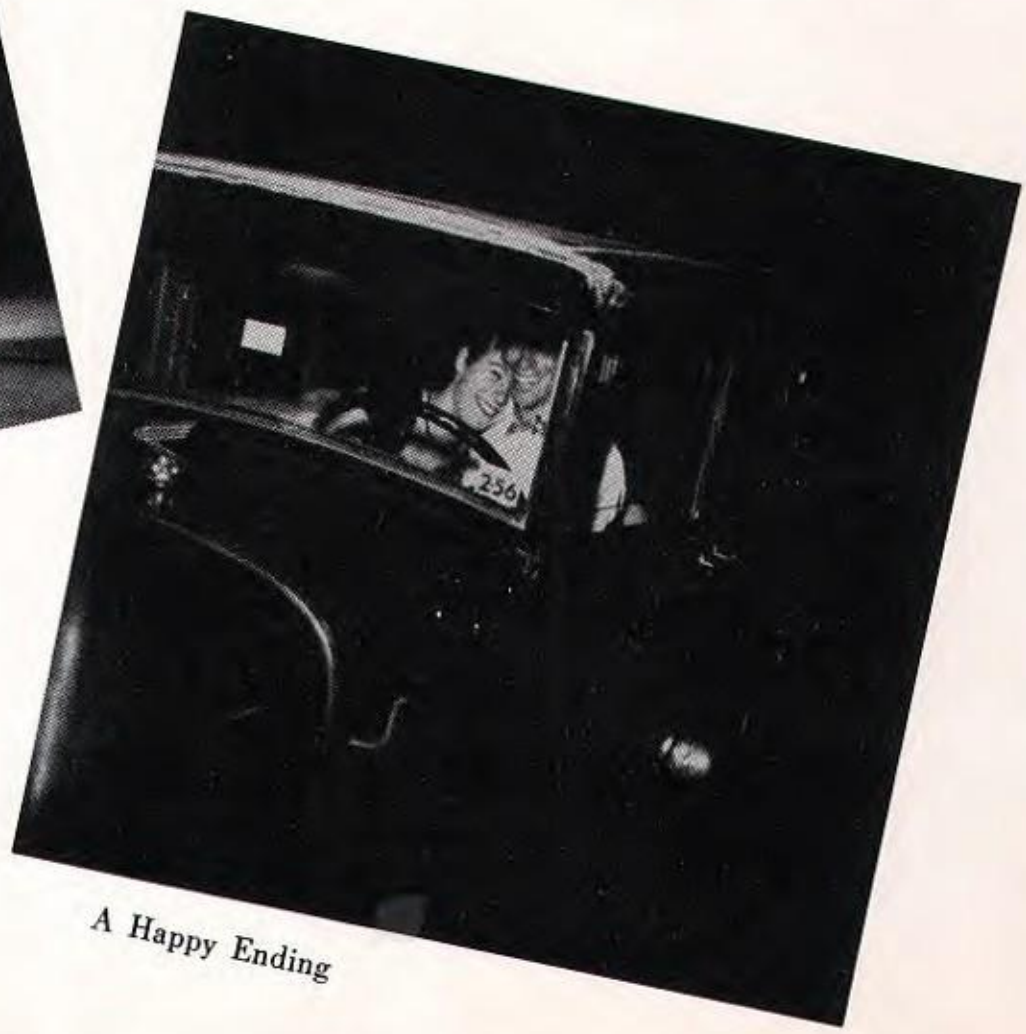


You mean the paint?

On a Date



"Me, too!!"



A Happy Ending

Will We Ever Forget . . .

All the golden hours spent within these walls . . . Study Halls and Library permits . . . Assemblies and term papers . . . The wild roar of the Student Body as the Lambkins score a touchdown . . . The Vaudeville or committee meelings . . . Homecoming or the Junior Prom . . . The confused uncertainly we felt as Freshmen . . . The solemn realization of graduation . . . The happy gang at Tico enjoying the band . . . The swell of pride as we realize again what a wonderful school we have.

It is with the hope of preserving these memories in their original splendor that we have here recorded 1956-57 for you, the Student Body, who make F. C. H. S. what it is.

Dads, Wow! It's not "dilly"?
This year's been a dilly.
Remember College Days?
I'm still water-logged.
That was really a ball. Huh?
Ole, and what about the time we
made Pete go get as each a pizza!
I don't think I've ever eaten so much
before. Don't
Forget all the great times we had
at camp and on camping trips.
Here's wishing you all the best
and success in the world.
Be good?

Barb.
Well we sure have had alot of fun this year and I hope we can have so much in the future. Remember all the good times we had? All of our interesting little talks about too certain comboys? Even if things didn't work out right (for me at least) it was still fun. Oh, yes and we can't forget about dear old Phil and Tony (I really mean we can't forget) Remember that hayrack ride and of course that bee and cuss we all out. Oh those were the days huh? (I won't say what kind of days.) Hih Oh, yes and the night I started going with Tony and you stayed all night with me. What time did we get home? Oh well that's a minor detail (except to mother.) I hope we can always be the best of friends and always have the good times together that we have. I think

Homecoming this year was held on two days. The activities started Thursday evening with a pep rally at Harris School and a snake line to the Junior High where a movie was shown. Friday's events started with the Homecoming assembly honoring the alumni. After school there was a parade downtown which ended up with a pep rally. Everyone then returned to school for a barbeque. We won the game against Loveland and ended Homecoming with a dance in the gym.

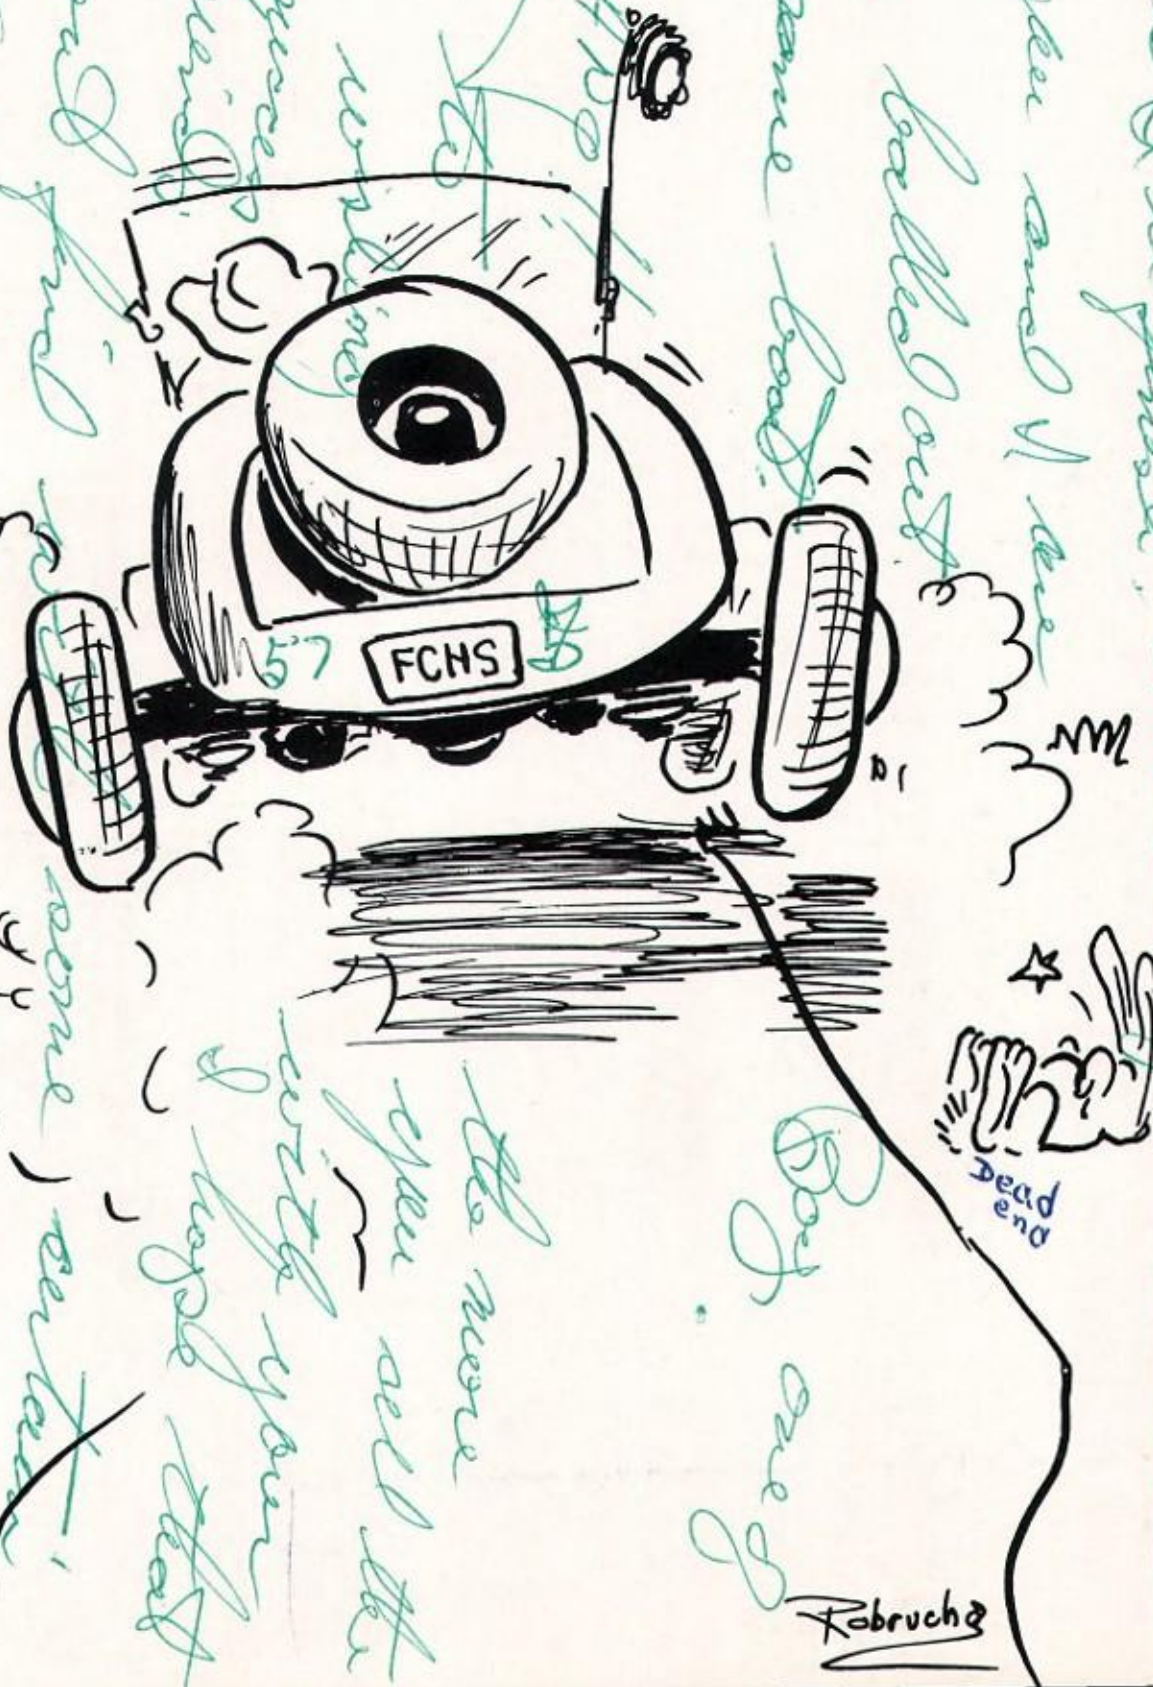
THE END



Barbara,

I really wish you were taking Latin II next year, because I'd like to see you prove to yourself you could tackle a hard job and come through with it. I still have confidence in you, and feel that if you would once make up your mind to do something and then follow through and do it, you could be a good student. I'm really expecting you to have two good years in high school, and I want to be able to say to you when you graduate, "I'm real proud of you, Barbara." Do bring out all your good qualities from now on, Barbara, and develop into the kind of person you have the potentialities to be. Please know that I am sincerely interested in you, and hope you'll always consider me as a friend.

Sincerely,
Mabel Hixson
